We are happy to be able to offer you a room in the Kolping dormitory of the Kolpingsfamilies Steyr. We sincerely hope, that you will feel comfortable here. You cannot only find a possibility of living with us, but also a life in a community, which carries this dormitory, according to the principle of Adolph Kolping "parental home for strangers". In a contemporary continuation of this though, Kolpingsfamilies all over the world now offer different institutions for the help of young people in their houses. Kolping is the biggest private operator of dormitories, in Steyr we can offer space for 80 young people.
